OUR PLAN

Mission

Our objective is to firmly establish ourselves as a market leader in the value chain of Gold Jewellery. We would put all our efforts to ensure that we have a substantial market share in the entire value chain of gold by moving up the value chain by making available locally to the retail consumers, gold jewellery and gold accessories of the finest quality and designs at the best prices.

Vision

To continue building upon the heritage of the brands and provide an unequalled customer experience.

Our Business Model

- ✧ FIZA GOLD & BULLION TRADING LLC was incorporated as a dedicated Bullion Division, primarily involved in physical gold & scrap gold. We have always believed in ethical business practices, commitment to high moral values when conducting business with our suppliers & clients.
- ✧ All our base metal products are LME grade and our physical trade is conducted only through various LME approved warehouses.
- ✧ The physical trade of precious metals currently serves local and international clientele.
- ✧ We deal in both, LBMA and non-LBMA grade bars through our vast network of local and international partners located in countries such as UAE, UK, Singapore, Hong Kong, Switzerland, Russia, India & Australia.

Our Business Model

- ✧ We pride ourselves on collaborations with reputed global secure transportation and logistical agencies assist us in catering for smooth deliveries within UAE & across the globe.
- ✧ Our strategic location at the hub of gold traders in Deira Gold Souq in Dubai gives us a geographical advantage and aids us in having a wider global footprint.
- ✧ Our non-physical trading desk is primarily used for hedging activities for our physical trade and to manage our currency exposures. We are trading as well as clearing members of the Dubai Gold and Commodities Exchange (DGCX) and are active participants in the COMEX and OTC markets.
- ✧ We maintain strong relations with various local and international commercial banks and investment banks for our metals trading, trade finance and currency trading requirements.

BULLION

As a result of our extensive sourcing capacities and capabilities, we supply the highest quality bullion, based on DGD-DMCC (Dubai Multi Commodities Centre) & RJC standards, to manufacturers, banks, and other discerning customers around the world. The ability to control the complete value chain ensures our customers a unique value proposition.
